

Gwernymynydd 2020 Shaping The Future of the Village

Please complete this questionnaire if you live in Gwernymynydd.

The Community Council hopes that as many people as possible will join in shaping a vision of our village in the future. The initiative which is the first of its kind in the County is supported by Flintshire County Council. The questionnaire is being distributed to every home in the village. More than one person from each household may complete it. Additional copies may be obtained from the Rainbow, the Swan, the Village Centre or by ringing 01352 750218 or 755157. Also, it may be downloaded from www.gwernymynydd.com, or your community councillor should be able to provide you with extra copies.

The findings will be published and summarised in the Newsletter early in 2010. They will help the Community Council influence the shape of the Gwernymynydd "Local Development Plan" for the next 10-15 years which the County Council is legally required to produce.
